HAUS

Between drama and restraint, A new balance is shaped.

NOT JUST DECORATION BUT A CONTROLLED SENSE OF PLAY

Fun Haus brings the carnival spirit back to life.

Bold lines, sculptural forms, and vivid colors.

Turn everyday living into a playful performance.

Fun Haus is not about exaggeration,
but about making life a little more playful.

PLAY, BUT WITH CONTROL

With clearer structures, controlled colors and interactive expressions, spaces shift from being used to being experienced, and a measured sense of play emerges within rational frameworks.

QUIET CARNIVAL

Emotion unfolds within structure.

Mala Oak

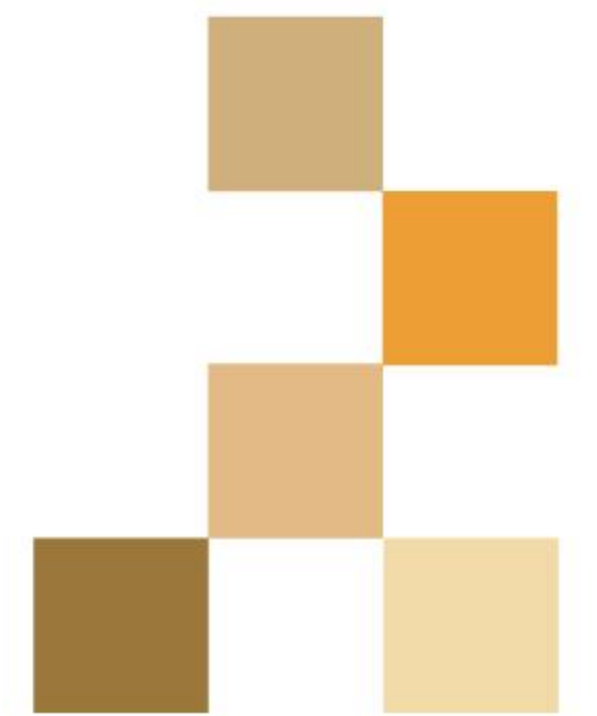

88381L-005

Layout Size: 984x1570mm

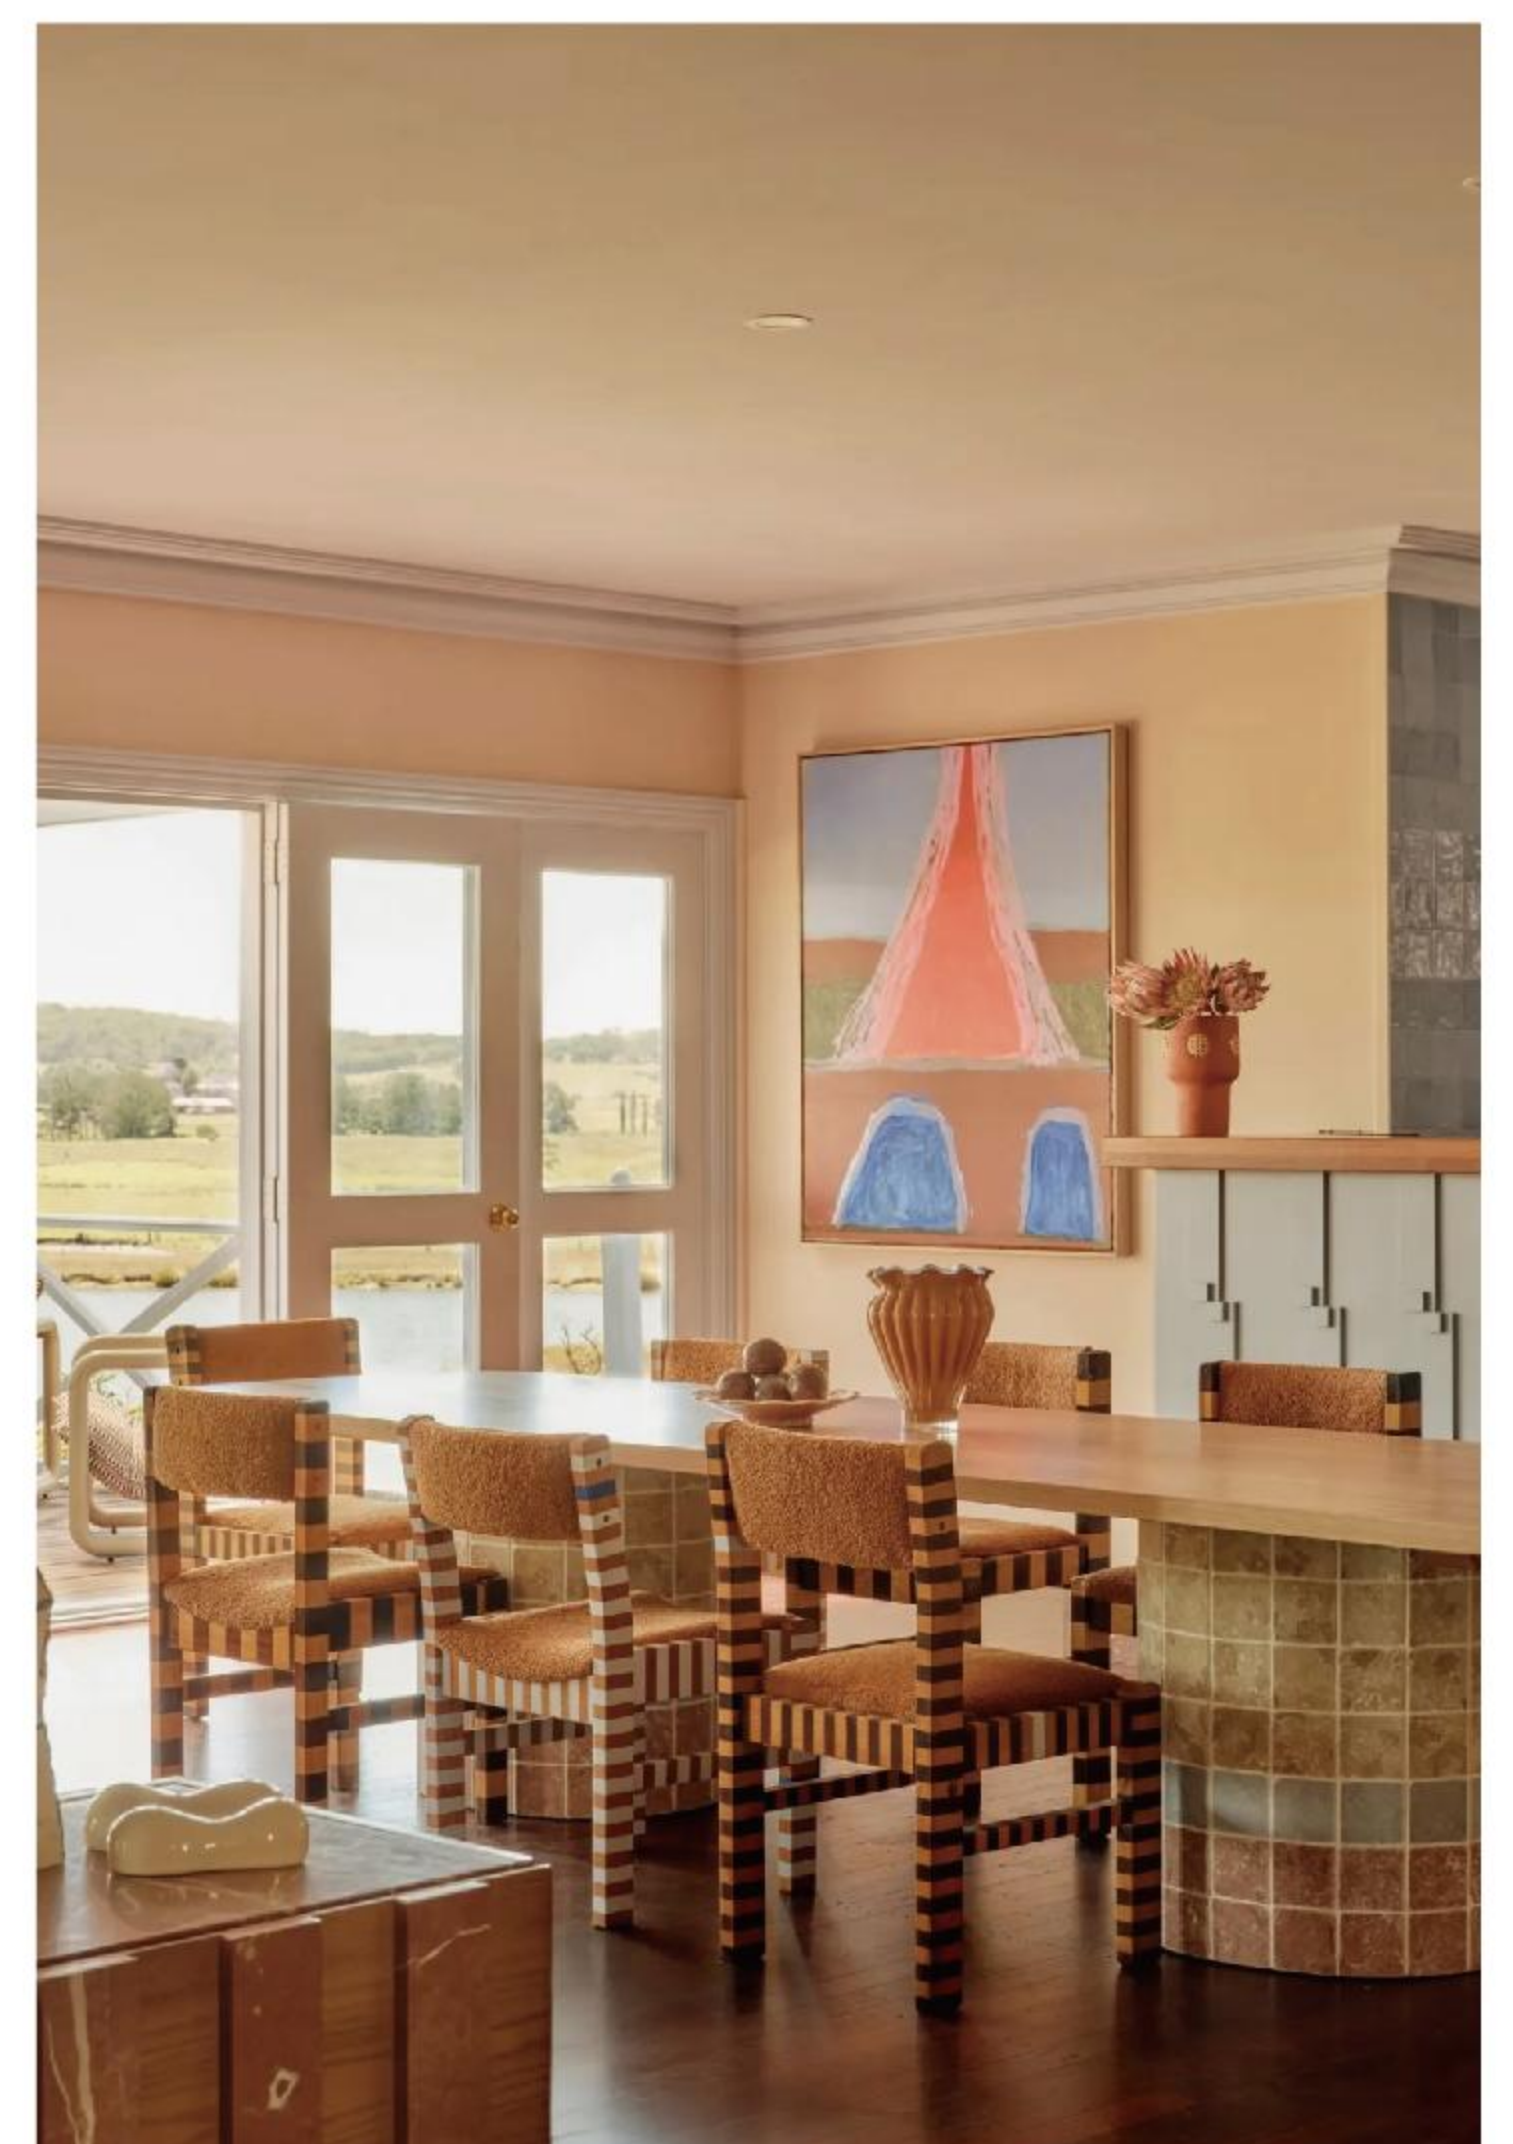

A warm light-yellow base with fine, continuous vertical grain and minimal knots. It retains oak's warmth and depth, while introducing a light, breathable clarity with a smooth yet layered touch.
