About us

Jiangsu Floorpartner New Material Co., Ltd. is a factory engaged in the design, manufacturing and selling of various WPC and SPC moldings. Equipped with a group of experienced technicians and advanced production machines, we will develop new models regularly to make sure our products are on trend. At present, our products include Stair Tread, Stairnose, T-molding, Reducer, End Cap, Quarter Round, Skirting and so on. Not only are our products endowed with endless colors and designs, they are also certified to prove their important functions such as wear-resistance, moisture resistance, fireproofing and environmental protection.

We are also in the business of vinyl floor production, like WPC and SPC. Both of our molding and floor have been exported to countries worldwide over ten years and received positive feedback from international clients.

Warmly welcome all new and old friends from all walks of life to visit our company and discuss cooperation!
